

# Consumer Product Testing

## Testing Capabilities & Furniture Industry

- Total Lead Content Analysis
- Phthalate Analysis
- Soluble Metals Analysis
- Total Heavy Metals Analysis
- Formaldehyde Content
- AZO Dyes
- Flame Retardants
- California Proposition 65 Testing
- Volatile organic compounds
- Moisture Content
- Pentachlorophenol(PCP)
- Flammability – California Technical Bulletin 117
- Mechanical Tests
- UV testing
- Humidity Testing (using environmental test chambers)
